Financial Services Guide

This Financial Services Guide (FSG) is designed to clarify who we are and what we do, and help you decide whether to use our services.

To make things simple, this guide explains:

- the services and types of products we're able to offer you
- how we and our associates are paid and any other benefits we may receive
- any potential conflicts of interest we may have
- how we protect your privacy and handle your personal information
- how we resolve disputes, and what you should do if you have one.

Please read through the whole FSG, as it's full of useful information – and is also worth holding on to for future reference. And of course, if you ever have any questions, please contact us.

Other documents you may receive

In addition to this FSG, if we provide you with financial advice we will also present you with a written Statement of Advice (SOA).

This will describe:

- advice and strategies we recommend and the reasons why;
- the financial products and services we recommend and the reasons why;
- any fees or commissions we will receive; and
- any associations we have with financial product providers or other parties that may influence the advice we provide.

After that, any time you receive further financial advice from us, we will either provide you with another SOA or give you (or keep our own) written Record of Advice (ROA). You can request a copy of this by contacting us any time up to seven years from the date of the advice provided. Please refer to the "Contact us" section of this FSG for our contact details.

To help you make an informed decision about a financial product you generally will be given a Product Disclosure Statement (PDS) which outlines the product features and costs in detail. In certain circumstances it is not a requirement that you be given a PDS (including, for example, where you already have one).

Giving us instructions

If you want to make changes to your financial plan or provide other instructions, please contact us. Please refer to the "Contact us" section of this FSG for our contact details.

Generally, you will need to give us instructions in writing (eg fax, email or letter) or another method agreed with us.

Payments and benefits we receive

You can pay for the services you receive on a fee for advice basis. This allows you to know that you are paying for our advice irrespective of any product you use, clarifies the services you are entitled to, and ensures all recommendations are driven by your needs.

We will agree with you the amount you pay based upon:

- a flat dollar fee;
- an hourly rate;
- the amount you invest; or
- a combination of the above.

You can pay in the following ways:

- by direct invoice from us;
- as a fee for advice that will be deducted from your investments as a one-off payment or in instalments;
- via commission we may receive from a financial product provider when you commence an investment and ongoing commission during the life of the investment;
- via commission we may receive from a financial product provider when you commence an insurance contract and ongoing commission annually during the life of the insurance contract; or
- a combination of the above.

If you are not already on a fee for advice package, you can move to this payment at any time.

Please refer to the “How we charge for our services” section of this FSG for further information.

Other payments we may receive

We will provide you with details of all fees, commissions or other benefits we may receive when we provide advice to you and, where possible, will give actual dollar amounts. If we cannot provide this accurately, we will provide worked-dollar examples.

Even if you don't receive personal financial advice from us, you can still request the details of any fees, commissions or other benefits we receive in relation to any other financial service we provide you.

Benefits we may receive

Sometimes in the process of providing advice, we may receive benefits from product providers.

Conferences

We may attend conferences and professional development seminars that have a genuine education or training purpose. Apogee Financial Planning, or our employer, may pay for the costs of our travel and accommodation, and events and functions held in conjunction with the conference or seminar.

Non-monetary benefits

We keep a register detailing certain non-monetary benefits that we receive e.g. benefits valued between \$100 and \$300, and those that relate to genuine education or training and technology software or support.

You can view an extract of the register by contacting us. Please be aware that Apogee Financial Planning may charge you for the cost of providing this information to you.

Sponsorship

Apogee Financial Planning receives cash payments from product providers who sponsor and attend training presentations, conferences and/or professional development days. Amounts vary between product providers and LA Financial Services Pty Ltd does not directly share in the sponsorship payment; however, we may indirectly benefit as these payments subsidise the costs associated with these training and professional development events.

Annual commission will also be paid when you renew your policy each year.

The rates of initial and ongoing commission will depend on the date the policy is issued and are set out in the table below:

Date policy is issued	Initial Commission (% of annual policy cost including GST)	Ongoing Commission (% of annual policy cost including GST)
Before 1 January 2018 or before 1 April 2018 (where the application was received before 1/1/18)	up to 130%	up to 33%
From 1 January 2018	up to 88%	up to 33%
From 1 January 2019	up to 77%	up to 33%
From 1 January 2020	up to 66%	up to 33%

We may receive commission at pre 1 January 2018 rates if:

- you increase your cover, add new cover or otherwise amend a policy purchased by you before 1 January 2018; and
- that policy amendment results in commission receivable by us, and
- that policy amendment is eligible for pre-1 January 2018 commission rates.

Example (all figures include GST):

You purchase the policy for \$1000 on 1 December 2019. We may receive an initial commission of up to \$770 (\$1000 x 77%) in the first year and ongoing commissions of \$330 per annum (\$1000 x 33%) for as long as you continue to hold the policy.

If you increase your cover on 1 July 2020 for a cost of \$500, we may receive an initial commission of up to \$330 (\$500 x 66%). The ongoing commissions on the additional cover may be up to \$165 (\$500 x 33%). This is in addition to the ongoing commissions of \$330 per annum when the policy was purchased. Total ongoing commissions payable to us may be up to \$495 (\$1500 x 33%).

Please note that the initial and ongoing commissions on life insurance products are paid to us by the product provider and are not an additional cost to you.

Pre-existing arrangements

For investment and superannuation products, the relevant product issuer will pay initial commission between 0% and 5.5% and ongoing commission between 0% and 0.88% of the value of your investments for as long as you hold the product. For margin loans the relevant product issuer will pay an ongoing commission between 0% and 0.88% of the outstanding loan balance. Commissions are paid to us by the product provider and are not an additional cost to you.
