

## Employees Benefits Program

Empowering Our Employees. Strengthen Your Finances.

Welcome to the LA Employees Benefit Program.

We're excited to share the tailored benefits now available to you through our award-winning team. As part of the LA Employee Benefits Program, you'll have access to tailored financial services, expert advice, and personalised solutions designed to support your financial well-being.

Whether you're looking to refinance, invest, purchase your first home or simply get expert guidance, we are here to help and you may even be eligible for a \$500 LA EFTPOS card as part of your benefits.

This initiative is all about supporting your financial goals and helping you build long-term security. We look forward to helping you make the most of it!

## Empowering you with real financial benefits

A strong benefits program is about more than your job, it's about your financial well-being.

Through our partnership, you can access exclusive savings on purchases and existing finances, including cashback offers that help cover the costs of refinancing or major expenses. These tangible financial perks are designed to make you feel valued and supported.

Less financial stress means better mental and physical well-being, helping to prevent burnout and keep you focused and energised. It's our way of supporting you—not just at work, but in life.

"Using the **LA Employee Benefits Program** was a game-changer for me. The \$500 EFTPOS card made a real difference, and the whole process was simple and stress free. It's not just about the money, it's knowing that my employer genuinely cares about my financial well-being. I felt supported every step of the way and it's made me even more proud to be part of a workplace that invests in its people."
